Drama Class Elective for Grades 6-8 And Grade 3-5

Who: Students in grades 6-8 that enjoy Drama!

What: *DRAMA!* Students will learn improvisation activities, body movement, voice control, stage direction, set design, and costume design

Where: In room P-4

When: Grade 3-5 on Tuesday afternoon from 2:00-3:00

Grade 6-8 on Thursday afternoon from 2:00-3:00

- **First Semester** We will be learning about the development of a character and portraying emotions through a monologue. Students will use improvisation, body control and voice control to create a character.
- **Second Semester** Normally I would use this time to prepare for the school musical. This year the school musical may not be happening due to the world wide pandemic. During this semester we will explore characters and learn to deliver a monologue performance in class.

Why: This year the talent show will be postponed due to the pandemic.
